

ASAP LH0212-2 preview screen

Complete with a stand for wall or ceiling mounting, Color: black

Specifications

Diagonal size	49.5 inches
Visible area	1090 x 619 mm
Panel technology	VA
Backlight	LEDs
Resolution	3840 x 2160 / 60 Hz
Ratio	16:9
Brightness	500 cd/m2
Static contrast ratio	4000:1 typical
Horizontal viewing angle	±89 degrees
Vertical viewing angle	±89 degrees
Pixel size	0.2854mm
Digital inputs	1 x DVI, 2 x HDMI
Audio inputs and outputs	1 x Audio input 3.5mm jack and 1 Audio output 3.5mm jack (implemented with adapter)
Control inputs	1x RS-232c, RJ45 (LAN), IR x1
Management outputs	1x RS-232c, IR loop through
Nonstop operation mode	18h x 7days in landscape and portrait modes
Remote control	Yes
Power supply	Type: Built-in display; Operating voltage: Compliant with BDS - 230+/-10%, 50Hz +/-0.5%; Power: 147W;
Control player processor	HiSilicon V810, CA73*2+A53*2 4 cores; Base operating frequency: CA73(2.8Ghz), A53(2.3Ghz)
RAM of the control player	2 GB
Flash memory of the control player	8GB
Network interfaces of the control player	WiFi and RJ45 LAN 100Mbps
Operating system of the controlling player	Android OS 8.0
